

At RIVERTON CHURCH & Preschool your children's safety is our first concern. We have recently upgraded our entire church security with special attention to our Children's ministries including our Preschool.

Our safety policies include adhering to a 2 Adults per classroom and a maximum 8/1 child/adult ratio.

Register early to ensure your child's placement in this innovative program.

All staff and volunteers have gone through a background check and CPR/ First Aid training. While your child is having an incredible time of growing and exploring with us, you can have peace in your heart knowing they are in good hands at Riverton.

A fun and innovative learning environment that allows children to grow and explore as they are being prepared to succeed in Kindergarten and beyond!

Incorporating movement and play and a strong social interaction experience, children become well equipped to move into the structure of public or private school. Learning confidence and cooperation with their teachers and their peers builds character traits that will last all their lives.

OUR PROGRAMS

We offer 3 basic programs for children ages 3,4 & 5. All classes begin at 9 am and end at 12 noon.

Our Calendar year begins after Labor Day and will end before Memorial Day.

We seek to balance the program spiritually, cognitively, socially, and physically to best suit the development of each child with a special focus on character building through a Biblical perspective.

LOVE GOD - LOVE OTHERS

As teachers, we are dedicated to creating a warm and creative environment that is rich in both mental and physical stimulation.

We believe that children learn best by doing, so we provide a variety of hands on experiences in many creative areas including literacy, math, science, music and the Bible.

We believe that children learn as they explore their world. Play is essential to learning social skills and to learn more about themselves and others. Children are learning and growing rapidly and play helps them make sense of their ever changing world.

We believe that a fun and rewarding preschool experience is valuable as this is one of their first encounters with school. We want to capture your child's excitement to explore and grow by creating a safe, caring environment that will help children love to learn and learn to love throughout their lives.
